

LEAF SEASON

Leaf Season runs from the first Wednesday of November to the first Wednesday of February. During Leaf Season, the Town will pick up leaves, grass clippings, pine straw, pine cones, flowers, etc. that are raked to the side of the road (but NOT in the roadway) on Wednesdays, weather permitting. Leaves should be in neat piles with no sticks, twigs, rocks, or excessive amounts of dirt mixed in with them.

During other times of the year, leaves, grass clippings, pine straw, pine cones, flowers, etc. will be picked up on the 1st Wednesday of each month.

Please DO NOT bag your leaves!
